

U140E-U151E Case Repair

Estima, Harrier, Highlander,
Kluger V, Rav 4, Windom, A-
lon, Avensis, Camry, Sienna,
Solara

Omega Machine & Tool Inc. is repairing the case for the U140/U151E Toyota cases. The bearing races become loose in the case. We sleeve the case and install new snap rings to restore fit to like new.
